

News 05/01/2010:

Viziflex Seels, Inc pays for the Chess Team at PS 145 in Manhattan to go to the Grand Prix National Chess Championship in Atlanta. (05/07/2010)

PS 145 Chess Team

Viziflex Seels, Inc. specializes in custom-designed keyboard covers. We've been around since 1982, and over the years we've become known for our high-quality products. We currently have Viziflex Seels designed for over 4,000 different computer keyboards, POS terminals, and telephones. And with our unique custom capabilities, we're able to design anything our customers need--for any type of application, anywhere. In addition to our diverse line of form-fitting keyboard covers, we also offer a large variety of computer accessories, including dust covers, anti-glare filters, and cleaning products, just to name a few.
